FILE NAMING INSTRUCTIONS

File Format

Best quality jpeg only

TIFF files, PSD files, RAW files will NOT project and cannot be used

Image Size

Regardless of the format of the image – portrait or landscape - the maximum vertical dimension is 1050 pixels and the maximum horizontal dimension is 1400 pixels. Any image exceeding these dimensions will be resized by the software and image quality will be lost.

There is advice on re-sizing images using Photoshop on the N&EMPF website under “Useful Information”

Titles

All titles must be in the format –

THE TITLE by An Author.jpg

Which is – THE *space* TITLE *space* by *space* An *space* Author *dot* jpg

Where

THE TITLE must be in upper case

by is in lower case

An Author is in initial uppercase, rest lowercase

.jpg – file designator

Hence what is produced should be for example A GOOD PICTURE by Joe Bloggs.jpg

Submission

Please submit images on a CD or memory stick (returnable) clearly marked with the club name and number of images.

The CD or memory stick must contain two folders

BANK containing all the images you wish to use – up to 40

FIRST ROUND containing the images for the first round

Using the paperwork supplied, also submit a written list of all the titles and a separate list of round one.

All entries will be checked, but please try to get it right – it just makes life easier!

If you have any queries please ask

Peter Farnworth
