CLUB PROJECTED DIGITAL IMAGE TROPHY COMPETITION SUNDAY 21st MARCH 2010

This is now the 20th time that I have tried to persuade all the clubs in NEMPF to enter this competition, last year it was the first of the PDI competitions, this year it is the second.

Last year was the big experiment both at Arnold and at Warwick, but it was successful and we cannot go back anyway! As the years progress we are developing the process so hopefully we will be getting better.

The purpose of the competition is two fold – to find the Champion N.& E.M.P.F. Club, and the two clubs to represent N.& E.M.P.F. in the P.A.G.B. National Championships at Warwick University.

The competition will be held at Arnold Leisure Centre starting at 1.45pm and there will be an admission charge of £3 to cover expenses. The AGM is at the same venue in the morning and admission to that is, of course, free.

The event will run in a similar manner as last year, but we are still working on the details, so the rules are not yet available. However what is certain is that you will, as always, be working with a bank of 40 images. Keep your eye on the NEMPF website for the latest information.

Get in touch with me to register an interest and you will receive the rules later.

Peter Farnworth LRPS
N.& E.M.P.F. Club PDI Trophy Competition Co-ordinator
